MARSANZ®

+capacity **+organization** **+hygiene** **+comfort**

Genevolution is the first basket with an interior tab.

Easy clipping
Enables **quick and easy** wheel replacement.

 Great capacity and storage

72/73-litre basket, providing one of the highest capacities in its segment.

 Tab

Unique functionality that ensures hygienic product separation, promoting food safety.

 Ergonomic design

Ergonomic design that takes up less space, facilitating movement even in narrow aisles.

 Light and practical

Light and practical design, ensuring easy transport and manoeuvrability even when fully loaded.

 Control 360°

Four multidirectional wheels that reduce effort and noise, with easy replacement.

 Stackable

Stackable up to 7 baskets without support and up to 12 with support.

72L | With Divider

Genevolution with tab allows easy product organisation into three sections, by type or size.

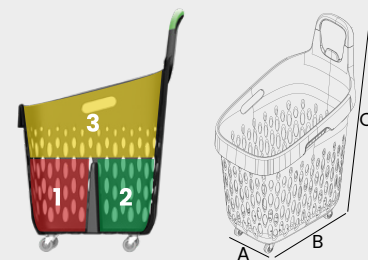

73L | Without Divider

The version without tab offers a spacious area, providing ample room for products, including larger items.
